Coming Soon: My Voice, My School Survey

"I am a success today because I had a friend who believed in me and I didn't have the heart to let him down..."

Abraham Lincoln

Each year, parents and guardians of CPS students are invited to complete a survey about their child's school named the **My Voice, My School Parent Survey**. The survey helps to provide a better picture of how parents feel about the school community, parent-teacher partnership, and the quality of facilities. The survey takes about 10-15 minutes to complete, is available in several languages and is completely anonymous. Cleveland School Values your response. We look forward to hearing from you on **April 18th**.
