Principal's News

Dear Parent and Guardians,

Welcome back to school. We are off to a wonderful start. The students and teachers are settling in and we expect this to be a fabulous year. New, this year we will be working with the Peggy Notebaert Museum around science curriculum. This is a yearlong grant that provides the classrooms with resources and field trips. After-School will begin in October, please look for information to come home soon on how to sign up for our programs. We are looking forward to working

with you to provide the best education possible for your children, as always please don't hesitate to stop by the main office if you have and questions or concerns.

Sincerely,
Debora Ward
Principal
