Principal's News

Dear Parents and Guardians,

It looks like spring is finally about to arrive. The students are very excited to go outside for recess but please remember on cold days to send them with a coat.

In May our students will be taking the NWEA/MAP test in reading and math. This test is an online test that the students have taken before, but this time it will be used as one of the measures for promotion. The test measures how much students have grown from last year. This test will also be used in 7th grade to determine what high

schools our students are eligible to apply for next year. Please discuss with your child the importance of the NWEA/MAP test.

Have a wonderful month.

Sincerely,

Debora Ward
Principal
