Thank You!

Cleveland School would like to thank our parents for their outstanding support in making our school a success. Without your support Cleveland would not be able to offer excellent academic, athletic, and enrichment programs. To quote CPS CEO Arne Duncan "programs such as art, music, drama, and dance have made Cleveland the gem of the Chicago Public School system".

After School-Programs

Cleveland School is actively looking to fill spaces that are still available in our after-school programs. Salsa Club, Newspaper Club, Knitting Club, Yoga Club, Chess Club, and Social Center are a few of the programs that still have availability. The bilingual after-school program and the homework club are also available. These programs are now available for students in grades 3 to 8. For more information please see or call Mr. Parra in the main office.
