

# Cleveland School Presents:

Ravinia Festival continues its ***One Score, One Chicago Project*** which is dedicated to bringing great classical music to all of us, especially children. The entire Cleveland Community is invited to this 6 p.m. performance, followed by light refreshments. The selection of Robert Schumann's ***Scenes from Childhood*** marks the 150th anniversary of the death of this great composer. His music overflows with passion and emotional intensity. This piano piece recalls memories of youth—a time of simplicity, safety, and joy.

We know you will enjoy a wonderful evening of great music. Students from rooms 211 and 101 will also be participating prior to the Ravinia performance.
